

## IS YOUR STOMACH WRONG?

Sooner or later you will be wrong in every organ of your body. It is a well-known fact that over ninety-five per cent. of all sickness is caused by ailments of the digestive organs. If you have the slightest suspicion that your stomach requires treatment, don't delay a moment. Little ills soon grow into serious ills.

Dr. Pierce's Golden Medical Discovery gets to work immediately at the seat of your trouble—the stomach. It leads a helping hand. Helps to digest the food. Tones up the stomach. Soon brings back normal conditions. Food is properly assimilated and turned into rich, red blood. Every organ is strengthened and every tissue re-vitalized.

The same good blood will cause pimples, acne, eczema and skin eruptions to dry up and disappear. It's an alternative tonic and body builder.

This tonic is a glyceric extract from roots taken from our great American forests. Try this remedy now. Sold by medicine dealers in liquid or tablet form—or send 50 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial box.

Covington, Ky.—"My parents in Nevada recommended me to use Dr. Pierce's Pleasant Pellets. I used them when I was troubled with headache and biliousness. I found they are just as advertised. They are fine and did just what I expected. I depend on them and consider them the best medicine of the kind I have ever used."—MR. JOSEPH BURGER, 1214 Wheeler St.

## The Little Bad Boy.

The bad little boy has gone to sleep. One hand still shut in a stubborn fist. As though in his dreams he would hold himself in position to resist. The bad little boy throughout the day has broken the home rules, one by one. Has found for his feet the forbidden way. Has left no disturbing thing undone. The bad little boy—his face is calm. Save that a faint smile is clinging there. And now a forgiving gentle palm smooths all of the tangles from his hair. And now he is lifted into place. By arms unfelt in his slumbers deep. And nothing but good shows in his face. The bad little boy has gone to sleep. So, may it not be, when you and I. As bad little boys lie down in sleep. The angel that marks our deeds on high. May come on his wings of gentle sweep. And bend over us with a patient sigh. And whisper to such as are you and I: "Your day is forgiven you; sleep in peace!" —W. D. Nesbitt.

## What Ella Would Do.

I would aim to make my life worthy of one good woman's love and respect. I would make the happiness of my home the chief ambition of my life. I would write no letters to any woman, save my wife, that all the world might not read. If in the employ of others, I would double the duties imposed upon me that I might the sooner have others in my employ. I would rule in my business affairs and in my own household—not by force of physical strength, but by force of character. I would never imagine that the possession of a first class tailor and an eye glass could excuse a vile breath and an insolent air. I would deny myself some pleasures.

## SEVERE PUNISHMENT

## Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlastingly tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

and luxuries in youth that I might not be dependent on others for the necessities of life in old age.

In my general association with women, I would treat them as nearly as possible as I would like other men to treat my sister or my wife.

I would feel it a great honor to be called a faithful husband and a wise father than to be known as a "sly dog" or as a "great masher" by my fellowmen.

I would give every man a helping hand as I went along the journey of life and expect no reward save in the increase of my own self-respect and satisfaction.

And I would take as great pride in controlling and mastering my passions and appetites as I would in the control of my horses and my dogs. And I would look well to it that none gained the mastery of me.

ELLA WHEELER WILCOX.

## Sweet Minded Women.

So great is the influence of a sweet-minded woman on those around her that it is almost boundless. The husband comes home worn out with pressure of business and feeling irritable with the world in general; but when he enters the cozy sitting room and sees the blaze of the bright fire, he succumbs in a moment to the soothing influences which act as a balm of Gilead to his wounded spirit. We all are wearied with combating with the stern realities of life. The rough schoolboy flies in a rage from the taunts of his companions to find solace in his mother's smile; the little one, full of grief with its own large troubles, finds a heaven of rest in its mother's breast; and so one might go on with instances of the influence that a sweet-minded woman has in the social life with which she is connected. Beauty is an insignificant power when compared with hers.

## Make Others Happy.

When rain beats down and all is drear, As often is the way, With happy smile I will recall What grandma used to say: "Why, bless your heart, it doesn't help."

To let the tears drip too; Just wipe your eyes and look around "For some good deed to do." With glees three letters she'd repeat: Just M. O. H. were they; Yet what their meaning we knew not, For did we ask, she'd say: "Why, that's my motto, and I've learned."

The very wisest plan Is to find out what others need And help them if you can."

With such success, as we would seek Some helpful act to do, We found that cheering others lives Brightened our own lives, too. I told her this one day, and plead: "M. O. H. please make clear."

Then smiling sweetly, she replied: "Make Others Happy, dear!" "When stormy days give you the blues,

Just help to set things right; Kind acts will fill the darkest day. With sweetness and with light, Look up the real unfortunates; And ease their aches and pains; As you make others happy, dear, You just forget it rains."

—George Whitefield Davis, in The Christian Herald.

## "CASCARETS" BEST IF HEADACHY, BILIOUS, SICK, CONSTIPATED

## BEST FOR LIVER AND BOWELS, BAD BREATH, BAD COLDS, SOUR STOMACH.

Get a 10-cent box.

Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret to-night will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet, breath right, complexion rosy and your liver and bowels regular for months.

## DON'T SCOLD, MOTHER! THE CROSS CHILD IS BILIOUS, FEVERISH

## LOOK AT TONGUE! IF COATED, CLEAN LITTLE STOMACH, LIVER, BOWELS.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again.

Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

Dr. Kilmer's Swamp-Root sells well with us because it invariably produces good results in Kidney, Liver and Bladder troubles. We sold a dollar bottle to one of the inmates of our Soldiers' Home near here, and after using it he brought in about one dozen gravel stones some as large as a pea, which he had passed. He states that he obtained wonderful relief from the use of Swamp-Root.

## OBITUARY.

On Wednesday, Jan. 6, 1916 the death angel visited the home of Mrs. G. W. Hatten and took her dear companion. His death was due to Bright's disease, complicated with la grippe and hepatic troubles. He leaves a wife, mother, 3 sons and 2 daughters. Weep not, dear ones, but prepare to meet him where there will be no sad parting. He comes as near the standard of the perfect man as any man I have ever known. I never heard from his lips an uncharitable or unkind word. Nor did I know him to perform an unworthy act. It is not often one can stand by the bier of the dead and say all that is in his heart in the way of eulogy of character without danger of exaggeration, but in his case there need be no fear. In bearing he was always gentlemanly and modest. The end of such a war was peace. There is no room for doubt, though at the last moment he may have uttered no word of testimony. His life was a witness to the saving power of the gospel.

We have lost a friend and brother. Earth will be poor by his absence but heaven will be richer by his presence. A little further on we will meet again.

A FRIEND.
